

SUMMIT OF THE PEOPLE ENLAZANDO ALTERNATIVAS 3 14 to 17 May 2008 – Lima, Peru

Enlazando Alternativas is a network of movements, non governmental organisations and diverse social and political actors in Europe, Latin America and the Caribbean which among others work together to strengthen the resistance against neoliberal policies and free trade which governments of both regions are trying to impose on our countries.

For the third time since 2004, we will hold the Enlazando Alternativas 3 (EA3) encounter from 14 to 17 May 2008 in Lima, Peru. The Summit of the Peoples will coincide with the Fifth Summit of Heads of State and Government of LAC and the EU, the highest political meeting of governments of the two regions.
